Paint Circuit Auto Body Supply Ltd. is a full service auto body / commercial specialist. We opened our first location in North York, Ontario in 1992. In 1997 we expanded west to Etobicoke, Ontario. In 1999 an expansion north to Barrie marked our third location. From day one our primary goal has been customer satisfaction. We have a strong sales staff and technical representation to meet your needs and solve any problem quickly and effectively.

Paint Circuit purchases from over 200 major suppliers and manufacturers throughout Canada and the U.S. providing the most diverse purchasing program for our customers. We are the leading member of 2 powerful buying groups in Canada - Across Canada Warehouses and Canadian Refinish Supply. To our customers this means value - the latest technology in repair and refinish materials at very competitive prices. Our major suppliers are Du Pont Performance Coatings, Standox North America and 3M Canada. We take pride in being able to provide the best products at the best possible prices.

Some of our services include:

- 95% order fill rate
- Prompt efficient delivery service
- State of the art computerized colour matching
- State of the art equipment and agitation systems
- Manufacturer provided training programs
- Excellent customer support via technical sales representatives (including licensed painters)
- In-house management programs tailored to your business' needs
- Dealership rebate programs

Our primary goal is to take care of you, our customer, in every way possible. Our commitment to you is excellent product knowledge, product availability as well as exceptional service and competitive prices. We will work with you and your excellent staff to realize your goals and maximize your profits. We believe that we should be your choice in a long term, highly successful and mutually beneficial business relationship. Our goal is "Your Total Satisfaction".
